

2024 RIFMA Conference

May 23th, 8:00 am - 4:30 pm

University of Rhode Island
Center for Biotechnology and Life Sciences

This year's theme - ***The Resilience Paradox: Overcoming Conflicts and Challenges*** looks to highlight the critical research and practices being developed across the field of resilience.

The 2024 Conference Committee cordially invites you to submit your abstract for our selection of student presenters.

SUBMISSION

Our poster gallery allows presenters to discuss their research, designs, or tools with professionals in floodplain management. The RIFMA Annual Conference brings together nearly 200 attendees from a broad range of professions to address the many issues associated with managing flood risk, making communities more sustainable, and protecting floodplains and fragile natural resources. Posters should contribute to the theme of floodplain management and resilience. Posters may share findings from field investigations, modeling, public outreach or other research topics. Posters will be on display in the main reception area from 8:30 AM through 4:30 PM.

IMPORTANT DATES

- **ABSTRACT SUBMISSION: FRIDAY, APRIL 5TH, 2024**
- **NOTIFICATION OF ACCEPTANCE: FRIDAY, APRIL 12TH, 2024**
